Triennium is a national gathering of thousands of Presbyterian youth from all over the country for worship, Bible Study and recreation. It is a fun and meaningful experience for all involved.

We hope you will join us!

Who can attend? All youth from churches within the National Capital Presbytery who are currently in 8th-12th grades are invited to join the NCP delegation. Specifically, Youth Participants range from those who will be entering high school in the fall of 2010 up through those who will have graduated high school but be no older than 19 years old on July 20, 2010. Our delegation must include at least one adult for every ten young people of the same gender. Adult Advisors must be at least 21 years old on July 20, 2010. Young adults who will be 19-22 years old on July 20, 2010 are eligible to join the Triennium Work Crew.

How will we get there? We will travel together as an NCP delegation on buses. It's a long drive, but a great opportunity to get to know one another!

How much does it cost? The total cost for each youth participant is \$630. It is our hope that congregations will assist families by paying part of the cost and that youth can participate in fundraisers to defray an additional portion. **Please do not let cost be a barrier! Scholarship assistance is available.** Adult Advisors attend for free. Work Crew cost is \$595.

How do I register? Registration information is available by following this link: <http://www.thepresbytery.org/AroundNCP/tabid/16110/Default.aspx>

It is also available by contacting our NCP Triennium Registrar, Mary Ellen Moss (see below). There is no limit on how many youth can attend from each congregation. **Registration closes February 3rd.**
